Pork Cutting Instructions

This sheet is only meant to help guide you through the cutting process, but does not act as your finalized set of cutting instructions. In order to confirm your instructions, you must speak to us either over the phone or in person to avoid miscommunications and mistakes.

Check the far left "GRIND" column if you want to add the cut to ground meat or sausage. Circle choices of Roast/Steak and Number per Package in the unshaded sections. Our Standard Cuts are indicated by a * after the cut/packageing. On the second page there are sausage options and a pork wholesale chart (for reference).

If you have any questions or are interested in any cuts that you do not see listed, please call us.
